

This is a listing of Prestan Products LLC products protected by United States patents. This listing is intended to satisfy the virtual patent marking provisions of U.S. patent law. The listing of Prestan Products LLC products may not be all inclusive and other Prestan Products LLC products not listed may be protected by patents. The Prestan Products LLC manikins, AED training devices and accessory products may also be covered by patents outside of the United States. Pending patent applications in the United States and elsewhere may also apply. By listing patents in this document, Prestan Products LLC makes no admission that other patents do not apply.
